# TOP 5 REASONS TO BUY

## 1 IT'S FAST, SIMPLE, AND CONVENIENT

Our optimized systems and processes make it quick and easy to buy install, use, manage and renew your certificates—no matter how many you need.

## 2 GET BETTER SECURITY AT A GREAT VALUE

We offer a full range of 256-bit encryption TLS/SSL products to customers around the globe at the lowest possible cost, including EV, OV, DV, Wildcard and SAN SSL certificates. Even better, our solutions support virtually every browser and popular mobile device.

## 3 WE ONLY PRACTICE BEST PRACTICE

Integrity is the core of trust and the foundation of our brand. Not only are our internal data systems PCI security compliant, but our business practices are WebTrust certified for: security, availability, processing integrity, confidentiality and privacy.

## 4 WE'RE HERE TO HELP

Your security is our top priority, which is why we offer top-notch support. If you need help with one of our products, you'll always talk to a trained security expert.

## 5 REPUTATION MATTERS

GeoTrust is an established, well respected security brand, powered by DigiCert—the most trusted Certificate Authority in the industry.
