digicert®
Secure Site

DigiCert is the industry's most trusted and widely respected provider of high-assurance certificates, trusted by the world's top companies to secure billions of transactions, worth billions of dollars, every day. For good reason. Since their founding almost two decades ago, DigiCert has been committed to doing what's right for the internet, putting people ahead of technology, and constantly searching for a better way to solve tomorrow's most challenging problems. From innovative tools to make the certificate process faster and easier to manage, to security solutions for the post-quantum computing age.

SECURE SITE CERTIFICATES

The industry's leading TLS/SSL certificate is now on trusted DigiCert roots. Whether you partner with us as a reseller, independent vendor or other technology provider, you can differentiate your offerings and build brand reputation with our Secure Site certificates. They include the Norton™ seal—the most well-recognized symbol for online trust—plus priority 24/7 support and exclusive access to the fastest validation experience available.

Secure Site

TOP 5 REASONS TO BUY

1 MOST TRUSTED ROOTS

DigiCert is more than a certificate authority. We're a keeper of public trust on the internet, securing 89% of Fortune 500 companies, 97 of the Top 100 banks and 87% of encrypted e-commerce transactions globally.

2 HIGHEST LEVEL OF AUTHENTICATION

With Secure Site, you and your customers are assured the highest level of authentication, which means the highest level of consumer confidence in your website and your brand.

3 CHOOSE DIGICERT SMART SEAL OR NORTON SEAL

As the most well-recognized symbols for online security, the DigiCert Smart Seal, Secure Seal and Norton Seal provide browser-visible trust to improve conversion rates for customers.

4 INDUSTRY–LEADING MANAGEMENT CONSOLE

The best certificates demand the best platform. With enterprise-grade tools designed for automation and ease of use, DigiCert® CertCentral Partner simplifies certificate management from issuance to renewal.

5 PRIORITY VALIDATION

Not only do Secure Site customers get exclusive access to the fastest, most painless validation experience available, they get priority support with concierge phone line and 24/7/365 email and live chat.

For more information, contact your partner account manager or send an email to resellers@digicert.com
